The Volunteer Region AACA Presents

Southeastern Fall Nationals

June 11-13, 2026

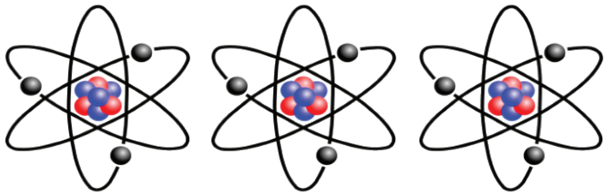
Historic Oak Ridge, Tennessee

Discover the Secrets of the Secret City

The Volunteer Region is delighted to host the 2026 Southeastern Fall Nationals in historic Oak Ridge, Tennessee.

As one of the three sites used in the development of the atomic bomb during World War II, Oak Ridge has a unique history. Only in recent years have the secrets of "The Secret City" become public.

From weapons to electricity to medicine and beyond, Oak Ridge continues to lead the country in developing peaceful and military uses for atomic energy. And it is all here, nestled in the hills of East Tennessee.



Event Details

On Thursday, a **Manhattan Project Bus Tour** will visit several historic sites in the area. The tour will be narrated in person by Oak Ridge Historian D. Ray Smith. **The tour is limited to 50 guests, so you will want to register early.**

Friday's AACA activities include the **Race Car and Motorcycle certification** on Friday afternoon, as well as the **Membership Roundtable** and **Judging School**.

On Friday night, there will be an **"Evening in the Park,"** which will feature live jazz music from the Manhattan Project era, as well as a presentation by the **Smoky Mountain Service Dogs** organization. Ice cream and soft drinks will be served to our guests. Bring lawn chairs if you have them.

On Saturday morning, the show field will open at 7:00 a.m. The **Judges' Breakfast** is at 8:00 a.m., followed by **Continued Judges' Education** and the **Owner's Briefing** at 9:30 a.m., near the entrance to the show field.

The Awards Dinner will be a Tennessee-style barbeque... Reception at 6:00 p.m. & Dinner at 6:30 p.m.
